

2019 NPDLL Coin Drop Schedule

*Managers...Please try and arrive 5-10 minutes before your allotted time to coordinate a smooth transition to the next team. The Coin Drop works best when there are at least 3 or 4 players present from your team along with at least one coach. At the end of your hour shift, you will count the total amount of money collected and place it in an envelope that you will then label with the total. If there are any questions, please do not hesitate to reach out to me at (570)441-6078. Thanks, Trevor

If you are unable to volunteer for your scheduled time slot, it is up to the manager to contact another team/manager and exchange/switch time slots. Remember, you need 1-2 adults to stay with the players, so this can be your assistant coaches. Please have the players be in uniform so the store patrons know exactly who they are donating to. Our league only completes 2 fundraisers per year. This and the cruise raffle. It is very important that we ensure our teams our covering their allotted time slots.

Thank You,

Trevor Hafner
